Dear Mr. Cavanagh:

This is in response to your requests dated October 20, and October 22, 1982, concerning the possible existence of wetlands in the area of the proposed landfills designated as Morrison/Whiteside County Landfill #2, 19581403 and Roxana/SCA Barton #2, 11909002.

Based on the information available to us, neither of these sites appear to encompass wetlands under Federal jurisdiction.

If you have any questions, please contact Mr. Dave Beno at 312/886-6682.

Sincerely yours,

*Elmer D. Shannon*
